## TOP FIRST DANCE SONGS

Jamie Theakston chose *Lovely Day* by Bill Withers as his first dance when he married Sophie Siegle last September, but which song is right for you? Wedding planner Samm Riley from *Wedding Matters* ([wedding-matters.co.uk](http://wedding-matters.co.uk)) reveals her top tunes to suit every taste.

### ALTERNATIVE

*Crazy* by Gnarls Barkley

Why: A quirky-cool choice with a great beat for a samba.

### WOW THE CROWD

*(I've had) the time of my life* from *Dirty Dancing*

Why: Learn the routine and perform *That Lift*. You'll have the audience - sorry, guests - on their feet.

### ROMANTIC

*Flying without wings* by Westlife

Why: What romantic could resist such lyrics as: 'And you're the place my life begins, and you'll be where it ends?'

### FAIRYTALE

*Emperor waltz* by Johann Strauss

Why: Perfect for gliding across the dance floor like a princess.

### FUN LOVING

*You're my first, my last, my everything* by Barry White

Why: Make like Ally McBeal and strut your funky stuff. Not for the shy, retiring type.

I'm a stylish size 18 and I want a gorgeous dress, not a tent! Where can I go?
